TRUVI

A PROJECT BY

hverse

"To bring Extraordinary living into your everyday spaces."

Marked by the expert craftsmanship, experimentation and fine materials, Truvi, is a success story in the making.

Inspired from the core of Vitruvian principles of Durability, Functionality, and Beauty, Truvi brings the essence of Italian decor to your Kitchens, Wardrobes and Doors.

Truvi seamlessly blends timeless design with modern functionality. Elevate your space with the elegance and sophistication of Italian decor, re-imagined for contemporary living.

KITCHENS COLLECTION

This Kitchen furnishes the environments, offering lots of compositional, functional and material possibilities to create a complete, sophisticated and contemporary kitchen system.

This Modular Kitchen System designed keeping its Italian Essence have worktops, panels and fronts are available in a wide range of finishes

This linear Kitchen design has been reinterpreted in light of a redefinition of the details, in particular of the opening grooves, underlined by a profile that highlights the vertical and horizontal lines.

A kitchen that invites you to design your spaces with supreme freedom with the customisation options of the overall design and finishes.

WARDROBE COLLECTION

A system of doors designed are the uprights, fixed to the ceiling and to the floor wardrobes.

A system of single-sided hinged doors designed to solve all the needs of containment in contemporary living: from the living area to the walk-in wardrobe and professional workspaces.

A storage system of the latest generation, where all the components, from the doors to the accessories, from the structure to the complements, are custom-made.
